Reasons For Allowance

The following is an examiner's statement of reasons for allowance: the instant claimed apparatus comprising a light source tuned substantially to a resonant condition corresponding to a target class of carbon nanotubes, and focusing optics which are optically coupled to the light source to direct light emitted by the light source onto at least one nanotube of the target class of carbon nanotubes to create an optical dipole trap, with the optical dipole trap capable to attract the at least one nanotube is not described in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Samuel M Heinrich whose telephone number is 571-272-1175. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas G Dunn can be reached on 571-272-1171. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
